WHENEVER YOU'RE READY

Productinformation

The release of the single "WHENEVER YOU'RE READY" marks the long-awaited comeback of Duisburg hard rockers TYPHOON. After the release of the EP "SOMETIMES" and the album "METEOROLOGY" and many gigs in the 90s, the band had been quiet for a long time.

In 2017, the six musicians returned to the stage with a brilliant live performance and also released their two releases online. With the 40th anniversary of the band this year and the 40th live anniversary in 2025, the release of a new album is now imminent, which the band will also present live.

The song "WHENEVER YOU'RE READY" is the first pre-release single from the new album, which will be released next year. The powerful rock song, which features a catchy hook, was produced by Holger Schreiber, who also produced the EP "SOMETIMES".

The track was first released as a CD on the sampler "Sounds Like Duisburg" in November 2023 and will now also be available online on all popular download and streaming portals from 23 February 2024. "WHENEVER YOU'RE READY" will be released via the SCARE-RECORDS label.
