

ANDREAS AKWARA

BLUESHIFT

Productinformation

With his new album "Blueshift" ambient musician Andreas Akwara offers an excerpt from his previous releases. It is a fascinating journey into the world of electronic music with a special focus on surreal islands of sound and atmospheric soundscapes.

Andreas Akwara describes his music as "Mind Cinema", suggesting that his works not only contain unique sound collages, but also invite listeners on an excursion of mind, heart and soul.

Recognition from the ambient charts and positive reviews from "Ambient Visions" underline the quality and originality of his work in the world of electronic music.

Like all previous works by Andreas Akwara, the "Blueshift" album was released again on the label "Scare-Records". It is available for download and stream on all known portals.

Parallel to the release a video trailer was published on YouTube. This gives lovers of electronic music the opportunity to immerse themselves in the unique worlds of Andreas Akwara and experience his creative works visually.
